

MSP PD – Math 793 Credits

Expectations:

- Refine 1 of the interview/probes created in your working groups
- Write a paragraph detailing the changes/adaptions made to the existing interview/probe. Focus on explaining why you made the changes that you did.
- Make sure to submit (may be submitted by paper copy or via email to harrisrm@uwec.edu or hlascs@uwec.edu):
 - The original interview/probe
 - The adapted interview/probe
 - Explanation of changes from the original to the adapted
 - Email address (where feedback can be sent)
 - Submitted prior to August 27th (preference: completed by August 15th)
- Grade is given based on completion of each part of the assignment.
