

## **A<sup>3</sup>: Assess, Analyze and Address – UWEC MSP Grant**

### **Week 2: August 10 - 14, 2015**

Learning Intentions:

Content Exploration: Uncover and understand the storyline of the CCSS standards for statistics and probability.

Student Thinking Exploration: Assess, analyze and address student thinking related to students' journeys of understanding towards high school level statistics and probability.

#### **Monday:**

|               |  |
|---------------|--|
| 8:00 – 8:30   | Check - in                               |
| 8:30 – 9:00   | Focus on Learning                        |
| 9:00 – 10:30  | Content Exploration–Focus on Statistics  |
| 10:30 – 10:45 | Break                                    |
| 10:45 – 11:45 | Sharing our Progression                  |
| 11:45 – 12:45 | Lunch (on your own)                      |
| 12:45 – 1:45  | Sharing our Progression continued        |
| 1:45 – 2:00   | Break                                    |
| 2:00 – 3:25   | Content Exploration–Focus on Probability |
| 3:25 – 3:30   | Wrap – up                                |

**Homework:** Chapter 6; Bringing Students into the Formative Assessment Equation

Tuesday: Student Interviews – **Homework:** The Development of Children's Reasoning Strategies in Probability Tasks

Wednesday and Thursday: Creating probes and interview questions

Friday: Time for completing work, final paperwork and assessments
